CALM IS A
SUPER POWER

THE SAUNA HAUS

Renew. Relax. Rejuvenate.

The background is a solid teal color. Overlaid on this are several large, overlapping leaf shapes in various shades of teal and green. The leaves are stylized and have a slightly textured appearance. They are arranged in a way that they seem to be part of a larger plant, with some leaves in the foreground and others behind them.

Always find time for the things
that make you feel happy
to be alive
